Bob,

I'm writing to see if you have time on Wednesday, December 14 to meet with Harry Anthony, Chief Operating Officer of Uranium Energy Corporation (UEC). UEC is pursuing a uranium project in Goliad County, Texas, but the project is stalled because the EPA Region 6 office did not approve the Texas Commission on Environmental Quality's request for an aquifer exemption. We believe that Region 6 is holding this project to a different standard than the criteria clearly outlined in EPA guidance documents and used by other regions to evaluate similar projects.

We recently met with the Office of Water to express our concerns, and they suggested we meet with Region 6. We would like to give you an update on the project and our discussions with the Region 6 office. Please let me know what time works best for you on December 14. Appreciate your consideration.

Best,
Heather
